ISSUE AGES

18 through 59

PREMIUMS

Level; based on age as of last birthday, gender, tobacco use, occupational class, elimination period, monthly benefit, benefit period and any optional benefits selected.

Non-Tobacco

If no tobacco use in last 12 months.

Policy Fee

\$40

Rate Increases

Premiums may only be raised on a class basis.

<u>Mode Premium</u>	<u>Factors as Percentage of Annual Premium</u>
Semi-Annual	51.0 percent
Quarterly	26.4 percent
Monthly	8.8 percent

RENEWABILITY

Guaranteed renewable to age 67 (until the policy anniversary after the insured's 67th birthday). As long as the premiums are paid, the policy cannot be canceled. However, the premium rates can be changed for all policies in a class.

If the insured is employed on a full-time basis on each renewal date after age 67, the policy can be renewed up to age 70. The benefit period is limited to one year.

ELIMINATION PERIODS

The number of consecutive days that an insured must be totally disabled before the monthly benefit becomes payable. The elimination periods available are 30, 60, 90 and 180 days.

AVAILABLE MONTHLY BENEFIT AMOUNTS

Minimum: \$300

Maximum: 60 percent of monthly income up to \$2,500

General Guidelines (continued)

Other sources of income protection need to be taken into consideration in order to avoid over-insurance. If the source of income protection is employer-paid group disability income, difference between 90 percent of the monthly income and the group benefit, up to \$2,500, can be purchased with a 90-day elimination period.

If a 180-day elimination period is elected, the difference between 100 percent of the monthly income and the group benefit, up to \$2,500, can be purchased.

Examples:

90-day elimination period:

Bill's monthly income at ABC Co. is	\$4,000
ABC Co. covers Bill with group long-term DI.	
If Bill is disabled his monthly benefit from ABC Co. will be	\$2,400
Additional benefit with Assurity's SDI would be	\$1,200
(The difference between 90 percent of Bill's monthly income and his group DI benefit)	
Total monthly benefit	\$3,600

180-day elimination period:

Additional benefit with Assurity's SDI would be	\$1,600
(The difference between 90 percent of Bill's monthly income and his group DI benefit)	
Total monthly benefit	\$4,000

AVAILABLE BENEFIT PERIODS

Six months, 1 year and 2 years

UNDERWRITING

Simplified approach with ability to exclude certain conditions. MIBs and prescription checks will be ordered. Telephone interviews will be ordered on applicants age 30 and above if the monthly benefit is \$2,001+ per month (and as requested on a case-by-case basis). An APS will be requested as needed.

Policy Provisions (may vary by state)

TOTAL DISABILITY

Total disability means a disability due to a sickness or injury which:

- keeps the insured from doing the important, substantial and material duties of his or her own occupation;
- starts while this policy is in force; and
- requires a physician's care unless the insured has reached the maximum point of recovery.

Policy Provisions (continued)

Monthly benefits are not payable if:

- the disability is due to an injury and begins more than 30 days after the injury; or
- the insured is working for wage or profit during a period of total disability.

RECURRENT TOTAL DISABILITY

Recurrent total disability means a situation in which the insured becomes totally disabled, ceases to be totally disabled, then becomes totally disabled again from the same sickness or injury. The latter total disability will be considered a recurrent total disability.

PARTIAL DISABILITY

Partial Disability means a degree of disability due to a sickness or injury which keeps the insured from doing one or more, but not all, of the important, substantial and material duties of his or her own occupation or results in the loss of 50 percent or more of the time spent by the insured in the usual daily performance of the duties of his or her own occupation. The condition must occur while the policy is in force and immediately follow a period of total disability during which monthly benefits were paid. The condition must require a physician's care unless the insured has reached the maximum point of recovery.

TOTAL DISABILITY BENEFIT

Assurity will pay the monthly benefit if the insured is totally disabled and the elimination period has been satisfied. We will only pay the monthly benefits while the insured is totally disabled or to the end of the maximum benefit period, whichever is first. Monthly benefits will be paid for only one or two or more concurrent total disabilities. A total disability from the same sickness or injury is subject to one maximum benefit period. We will not pay for both sickness and injury for the same period of total disability.

If an insured receives social insurance benefits, we will reduce the monthly benefit, up to 50 percent by the amount of the social insurance benefits the Insured receives. Social insurance benefits are:

- Social Security Disability Benefit;
- Workers Compensation;
- Government Retirement and Disability Fund Benefit; and
- Railroad Retirement Disability Income.

A recurrent total disability is considered a continuation of a prior total disability if it is separated from the ending date of the prior total disability by a period of continuous, full-time employment of less than six months. A recurrent total disability is not subject to a new elimination period, nor does it result in the start of a new maximum benefit period. A recurrent total disability is considered a new total disability if it is separated from the ending date of the prior total disability by a period of continuous, full-time employment of six months or more. A new total disability is subject to a new elimination period and starts a new maximum benefit period.

PARTIAL DISABILITY BENEFIT

This provision pays 50 percent of the monthly base policy benefit amount for each month of a partial disability from an insured injury or sickness for up to six months, when the partial disability immediately follows a period of total disability during which monthly benefits were paid. The combined total and partial disability benefits cannot extend beyond the maximum

Policy Provisions (continued)

benefit period. Partial disability is a sickness or injury that keeps the insured from being employed on a full-time basis.

WAIVER OF PREMIUM

Assurity will begin to waive payment of renewal premiums on the first premium due date after the insured has been totally disabled from a covered condition for 90 days or after the insured has been totally disabled from a covered condition for the duration of the elimination period, whichever is longer. Waiver of Premium ends when the insured ceases to be totally disabled or at the end of the maximum benefit period, whichever is first. Premiums are not waived during a period of partial disability.

Optional Benefits

RETURN OF PREMIUM RIDER – Available in all classes

This rider will provide a return of premium paid for the policy and all riders to the insured, minus any claims paid. The amount of premium returned will be based on a scale determined by the issue age of the policyholder and the amount of time the policy was in force. There is no refund available until the policy has been in force for five full policy years.

Optional Benefits (continued)

Optional Benefits (continued)

RETROACTIVE INJURY BENEFIT RIDER – Available in both classes

This rider will provide a lump sum amount at the end of the elimination period equal to the total disability monthly benefit times the elimination period in days divided by 30, if an injury causes total disability within 30 days of such injury and the insured is totally disabled continuously from the injury for the entire elimination period.

CRITICAL ILLNESS RIDER

This rider is offered in benefit amounts of \$5,000 or \$10,000. The benefit amount purchased will be paid upon the insured receiving a first-ever diagnosis for one of the specified critical illnesses stated in the rider.

- engaging in hang-gliding, hot air ballooning, bungee jumping, parachuting, scuba diving, sail gliding, parasailing, parakiting or any similar activities;

Limitations (may vary by state)

Limits on benefits are as follows:

FOREIGN TRAVEL

The policy will only pay up to three monthly benefits for any total disability sustained or continued outside the U.S., Canada or Mexico. If the insured remains totally disabled upon return to any of these countries, benefits will resume up to the maximum benefit period, as long as the insured is totally disabled.

PRE-EXISTING CONDITION

Pre-existing condition means a sickness or physical condition for which, during the 12 months before the issue date, the insured person:

- had symptoms which would cause an ordinary prudent person to seek diagnosis, care or treatment; or
- received medical consultation, advice or treatment from a physician or had taken prescribed medication.

Assurity will pay no benefits for a total disability that is caused by a pre-existing condition unless the total disability starts after the policy has been in force for 12 months from the issue date or for 12 months from the most recent reinstatement date.

Financial Guidelines

EARNED INCOME

Earned income is the gross income from the applicant's occupation, including salary, wages, bonuses, fees and any other compensation received from all sources for work performed by the applicant. If the applicant is self-employed or owns any part of a business, earned income is the applicant's share of income earned by the business, plus the salary or draw from the business, minus the applicant's share of business expenses that are deductible for income tax.

INCOME VERIFICATION

Income verification is not required as part of the underwriting process.

UNEARNED INCOME

Any kind of unearned income, such as rental property or interest income, that continues even if the insured is totally disabled, does not qualify as earned income. Pension or retirement benefits would also be considered as unearned income. If unearned income is greater than 15 percent of earned income, the total monthly base policy benefit available at issue is reduced by one half of the monthly unearned income.

OTHER INCOME PROTECTION

Other sources of income protection need to be taken into consideration in order to avoid over-insurance. Other sources of income protection include group disability income coverage, salary continuation, social insurance disability, retirement disability and other individual disability income. Unless being replaced, these in-force coverages must be subtracted from the maximum total amount of monthly benefit, subject to issue and participation limits.

Financial Guidelines (continued)

The maximum issue limit will depend on the applicant's occupation class, earned income and existing disability coverage. The application must clearly list all other disability coverages in force and applied for. The maximum issue amount will never exceed 60 percent of monthly income up to \$2,500.

FOUR-DAY SERVICE GUARANTEE

This product qualifies for the four-day service guarantee, the **Assurity Advantage**. The **Assurity Advantage** assures that your simplified underwritten application will be processed and the policy mailed within four business days, or the writing agent can cash in on an additional \$100.

Applications need to be filled out correctly and all required items included to qualify! For more information about the **Assurity Advantage**, contact your regional sales manager.

MULTIPLE APPLICATIONS RECEIVED WITH A SERVICE GUARANTEE PRODUCT

When multiple products are applied for simultaneously, we will hold all applications until a final decision has been made for each product, and they will be issued together. Therefore, if a product in the **Assurity Advantage** program is applied for at the same time as a non-Assurity Advantage product, it will not qualify for the service guarantee.

CHANGES IN COVERAGE

Increasing Coverage

To **increase** the amount of the base policy monthly benefit, to **increase** the benefit period or to **decrease** the elimination period, a new application for coverage is required.

There are two methods for increasing an in-force Simplified Disability Income Policy:

1. Complete a Simplified DI application for the amount of the increase in base policy monthly benefits. When the application is approved, the new policy will be issued for the amount of the increase. The insured will then have multiple disability policies in force with Assurity.
OR,
2. Complete a Simplified DI application for the total amount of base policy monthly benefit, including the increase desired. Indicate on the application that the new policy will replace an in-force policy. Return the in-force policy to Assurity with the application.

Please note: Replacement forms are required in the states listed on the previous page.
